To find all instances of a name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones; search for nicknames; when hyphenated, search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O’Brien and Obrien). For more search suggestions, visit our *Quarterly* page located at <https://stclair-ilgs.org/quarterly-surname-index/>.

To order entire articles or individual pages from out-of-print *Quarterly* issues or print copies of back issues, use our *Quarterly* order form located at <https://stclair-ilgs.org/wp-content/uploads/qorder.pdf>.
