To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc ); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc ); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc ); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc ); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc ); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc ); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). ## SCCGS Quarterly Volume 44 (2021) Surname Index

To find all instances of your family name, search for variants caused by poor handwriting, misinterpretation of similar letters or their sounds, e.g., L for S, c for e, n for u, u for a; phonetic spellings (Aubuchon for Oubuchon); abbreviations (M' for Mc ); single letters for double (m for mm, n for nn); translations (King for Roy, Carpenter for Zimmermann); substitute each vowel for other ones, search for nicknames; when hyphenated – search for each surname alone, with and without “de” or “von”, a space or apostrophe (Lachance and La Chance, O'Brien and OBRIEN). For more suggestions click [SCCGS website Quarterly pages](#). This volume is free to members—[Join SCCGS](#) or [Order pages here](#).
